

Neil Bar, Geotechnical Engineer - Gecko Geotechnic (VCT)

Neil Bar graduated from the University of Queensland in 2008 with a degree in civil engineering. He subsequently completed a master degree majoring in geotechnical engineering and engineering geology at the University of New South Wales in 2012, and a second master degree in tunnel engineering at Graz University of Technology in Austria in 2020. Neil has over 15 years of engineering & related experience on a diversity of mining (Au, Ag, Cu, Fe, Ni, Pb, Zn, diamonds, coal, and mineral sands), tunnelling and civil engineering projects across 6 continents (Argentina, Australia, Brazil, Colombia, Congo, Dominican Republic, Finland, Greece, Ivory Coast, Kazakhstan, Kyrgyzstan, Laos, Pakistan, Papua New Guinea, Russia, South Africa, Turkey and USA). He founded Gecko Geotechnics, authored over 250 technical reports and over 70 papers.
